

# 5<sup>th</sup> European Simulator Instructor Course

## A co-operation between the simulation centres in Copenhagen, London and Tuebingen

### 3 centres - different perspectives – valuable learning

#### Course site and date:

**Danish Institute for Medical Simulation - DIMS**

**Copenhagen, Denmark, October 25-27, 2007**

Beginning first day 10:00 a.m., ending last day 3:30 p.m.

Airport: Kastrup, Copenhagen (approx. 40 min transfer to and from course site)

Restrictions in the number of participants: minimum 12 participants, maximum 25 participants

For the fifth time we offer this special course - uniquely combining the expertise of three simulation centres and 8 experienced interdisciplinary instructors (anaesthesiologists, nurses, medical educators, and a psychologist). The course provides a mixture of theory and practice and emphasizes feedback relevant for learning in a safe and stimulating atmosphere. Participants work in small groups, lead by two instructors each. The course language is English.

*Target Group:* Health care professionals who want to use simulators and simulations for teaching

*Course goal:* Enabling participants to start running simulation-based courses for acute care medicine addressing issues of crisis resource management (CRM)

*Contents:*

- Familiarizing participants with the simulator
- Designing and running scenarios
- Debriefing (structures, difficulties, video use, annotation systems)
- Errors in medicine and patient safety
- Principles of adult learning
- Course design
- Roles of the simulator instructor
- Networking

*Methods:*

- Experience, practice and feedback
- Theory inputs
- Hands-on workshops
- Structured reflections

*Faculty* Experienced Instructors from the three simulation centres in Copenhagen, Denmark (DIMS), Tuebingen, Germany (TuPASS), and London, UK (BARTS)

*Cost:* The course fee is Euro 1100 per person including lunches, soft drinks and coffee during the day, and reception day 1 and dinner day 2.  
Travelling and lodging is not included.

*Accommodation:* Copenhagen offers many possibilities for accommodation within a prize range. There is a small hotel close to Herlev Hospital, Herlev Kro - [www.herlev-kro.dk](http://www.herlev-kro.dk) and Hotel Nora, a small hotel near the centre of Copenhagen, - [www.hotelnora.dk](http://www.hotelnora.dk).
